ENG 1011: ENGLISH I — PAST & FUTURE TENSE WORKSHEET

GENERAL INSTRUCTIONS

Complete each sentence by filling in the blank with the **correct form of the verb** provided in parentheses. You must strictly apply the theoretical rules governing Past Tenses (Simple, Continuous, Perfect, Perfect Continuous, *used to*) and Future Tenses (Simple, Continuous, Perfect, Perfect Continuous, *be going to*, Subordinate Time/Condition Clauses, and Pragmatic shifts).

Part A: Past Simple vs. Past Continuous (Interruption & Parallel Actions)

1. While the accounting professor **(explain)** ___ the audit procedures, a student suddenly **(raise)** his hand to ask a question.
2. She **(not/receive)** the confirmation email at 9:00 AM yesterday because the system was undergoing maintenance.
3. The financial analyst **(review)** _____ the ledger sheets while his colleague **(prepare)** __ the slides for the board meeting.
4. I **(walk)** _____ to the university library when it suddenly **(start)** _ to pour heavy rain.
5. The invigilator walked down the aisle while the candidates **(struggle)** ___ with the quantitative section.
6. They **(visit)** _____ the historical archive in Old Dhaka last weekend for their research project.
7. He **(not/listen)** _____ to the lecture when the guest speaker announced the assignment topics.
8. The computer system suddenly **(crash)** ___ while the IT staff **(update)** _____ the student portal database.

Part B: Discontinued Habits & Routines (Used To vs. Simple Past)

Focus: Distinguishing between ceased past habits/states (Used to) and completed past actions/durations without present status.

1. During his undergraduate years, Karim **(used to / ride)** ____ his bicycle to campus every morning, but now he takes the bus.
2. My sister **(paint)** _____ portraits every weekend for three years during high school.
3. That university building **(used to / be)** ___ a bank before the institution purchased it in 2015.

4. We regularly **(watch)** _____ classic foreign cinema after class when we were dorm roommates.
5. She **(used to / live)** _____ near the main campus, but she relocated to the suburbs last summer.
6. The faculty members **(hold)** _____ weekly informal discussions every Friday afternoon for two years.

Part C: Past Perfect & Past Perfect Continuous (Chronology, Duration & Cause/Effect)

Focus: Earlier past actions (had + V3), continuous actions preceding a past point, past cause/effect, and "By the time" structures.

1. By the time the invigilator announced the end of the examination, I **(already / finish)** _____ writing my final essay.
2. The student rubbed his tired eyes; he **(stare)** ___ at the complex spreadsheets since 6:00 AM.
3. The company was in severe financial trouble because the management **(ignore)** _____ early warnings from auditors.
4. When the bell rang, the admission candidates **(already / fill)** _____ in their roll numbers on the OMR answer sheets.
5. Their flight was delayed because it **(snow)** ___ heavily at the destination airport for hours.
6. He realized he **(leave)** _____ his calculator at home only after the mathematics exam began.
7. They were completely exhausted when they arrived home because they **(train)** _____ for the university marathon all morning.
8. She **(not / submit)** _____ her project proposal yesterday because the online submission portal **(crash)** _____ an hour earlier.
9. The research team **(rehearse)** _____ their presentation for two hours before the department head walked in.
10. His hands were covered in ink because he **(repair)** _ the old printing press all afternoon.

Part D: Future Simple & Intentions (Will vs. Be Going To & Spontaneous Decisions)

Focus: Instant decisions, promises, offers, refusals (won't), pre-planned intentions (be going to), and immediate evidence.

1. Look at those dark, stormy clouds! It **(rain)** __ heavily in a few minutes.
2. "That box of exam scripts looks very heavy. I **(carry)** _____ it to the faculty office for you."
3. I have already bought my train tickets. I **(visit)** _ my home town next weekend.
4. I tried to explain the revised policy to him, but he **(not / listen)** ___ to reason.

5. The key is stuck in the old lock; the door **(not / open)** _____ no matter how hard I turn it.
6. Faraz has saved up enough capital; he **(launch)** _____ his new tech startup next month.
7. "I feel very tired after this double lecture. I think I **(take)** _____ a short break."

Part E: Subordinate Time & Condition Clauses ("No-Will" Rule & Before/After)

Focus: Using Present Simple / Present Perfect in clauses with when, as soon as, until, unless, in case, before, after.

1. The committee will not start the official presentation unless the multimedia projector **(work)** _____ properly.
2. As soon as the guest lecturer **(arrive)** _____ at the auditorium, the symposium will commence.

4. **watched** *(Simple past describing past routine during a specific period)*
5. **used to live** *(Distinct past state that has now ceased)*
6. **held** *(Past repeated routine over a defined 2-year period)*

Part D: Future Simple & Intentions

1. **will do / 'll do** *(Spontaneous decision made at the moment of speaking)*
2. **is going to rain** *(Prediction based on clear immediate visual evidence)*
3. **will carry / 'll carry** *(Spontaneous offer of help)*
4. **am going to visit** *(Pre-planned intention made before speaking)*
5. **won't listen / would not listen** *(Refusal by a person)*
6. **won't open** *(Refusal by an inanimate object)*
7. **is going to launch** *(Pre-meditated plan/intention)*
8. **will take / 'll take** *(Instant decision: "I think I'll...")*

Part E: Subordinate Time & Condition Clauses

1. **works** *("No-Will" rule: Present simple after conditional 'unless')*
2. **arrives** *("No-Will" rule: Present simple after time conjunction 'as soon as')*
3. **complete** *("No-Will" rule: Present simple after 'until')*
4. **rains** *("No-Will" rule: Present simple after precaution 'in case')*
5. **is** *("No-Will" rule: Present simple after time conjunction 'when')*
6. **has checked / checks** *(Present perfect after 'after' to emphasize completion before main clause)*
7. **closes** *("No-Will" rule: Present simple after 'before')*
8. **finishes** *("No-Will" rule: Present simple after 'as soon as')*

Part C: Past Perfect & Past Perfect Continuous

1. **had already finished** *(Out-of-sequence earlier past action before a past point)*
2. **had been staring** *(Duration cause: ongoing past activity causing past effect 'rubbed eyes')*
3. **had ignored** *(Reason for past state: Simple Past [Result] + because + Past Perfect [Reason])*
4. **had already filled** *(Action completed prior to another past event 'bell rang')*
5. **had been snowing** *(Duration cause resulting in past flight delay)*
6. **had left** *(Earliest past realization: forgotten before exam started)*
7. **had been training** *(Ongoing physical activity causing past fatigue)*
8. **did not submit; had crashed** *(Portal crashed prior to submission attempt)*
9. **had been rehearsing** *(Continuous action in progress before interruption)*
10. **had been repairing** *(Duration cause responsible for ink-stained hands)*

Part F & G: Advanced Future Tenses & Mixed

1. **will be attending** *(Action in progress at a specific future time frame)*
2. **will have been sitting** *(Duration continuing up to a future point: By... for...)*
3. **will have opened** *(Action completed before a future deadline: By next...)*
4. **will have read** *(Prior completion before future return)*
5. **will have been teaching** *(Emphasis on ongoing duration up to year 2028)*
6. **will be relaxing** *(Scheduled activity in progress at specific future point)*
7. **will have resolved** *(Action finished prior to 5:00 PM deadline)*
8. **will have been playing** *(Duration 'for three hours' up to future event 'sun sets')*
9. **will explain** *(Pragmatic shift: "Now" signals an announced immediate next step)*
10. **are conducting** *(Physical action happening right now in the present moment)*
11. **had secured** *(Past Perfect: earlier achievement prior to past realization)*
12. **had already arranged** *(Out-of-sequence earlier action completed before dean arrived)*
